

# Kenshin Visual Magic

*Hello, I've developed a personal approach to magic by incorporating elements of martial arts and dance.*

*I've won several French Champion titles in martial arts, Taekwondo in 2001, Kung Fu in 2003, Artistic in 2010.*

*I also had the opportunity to take part several times in the Bercy Martial Arts Festival, to shoot on the show "Le Souffle du Vent" before joining Luc Besson's team for the film for the film "Banlieue 13 Ultimatum", commercials and music videos.*

*Later, I decided to add dance to my repertoire, training in contemporary dance, hip-hop and ballet.*

*I was keen to create a new, visual performance style. Thanks to this fusion of magic, martial arts and dance, I became French Magic Champion in 2013.*

*As an inventor, I also hold several patents for magic tricks: Nexus, Phantom Sword...*

*I left for Phnom Penh and Siam Reap in 2014, at the request of the King of Cambodia.*

*On my return that same year, I joined Gilles Arthur on the show "Drôles de Magiciens", performed at the Bruno Coquatrix Olympia.*

*In Las Vegas in 2019, the "World of Magic Art" made me an Honorary Member and recognized me as "The Visual Magician".*

Meanwhile, in 2014, Kenshin met Ricardo Blanch, CEO of Editions Paris Querido. Together, they decided to found:
